

# A Sacrifice Upon the Altar of God and Country

Tomorrow will be Sunday. Remember this picture every hour and all that it means or may mean to you and yours. Sacrifice some pleasures and even comforts to BUY all the LIBERTY BONDS you can at once and more as quickly as you can.

## “And One, Supreme in Sacrifice, Makes All Our Gifts Seem Small”

### Gen. Pershing's Liberty Loan Message From the Front to Us===

“Every dollar subscribed to the Liberty loan is a dollar invested in American manhood. Every dollar subscribed as the result of self-denial means partnership in the hardships and risks of our men in the trenches. Every dollar subscribed will confirm the determination of our people at home to stand by its Army to a victorious end.

“An overwhelming subscription to the third Liberty loan will be a patriotic expression of confidence in our ability as a nation to maintain all that we hold dear in civilization.”

JOHN J. PERSHING.

He gave all within his power to give--- home, friends, life itself. He did not hesitate to perform that supreme sacrifice. He knew his country's need. That was enough. He gained immortality by paying the price for a great ideal.

We, also, shall help preserve the soul of the world. But our sacrifices are small compared to his. We are only asked to lend, while he gave without being asked. We, his comrades, will not be found wanting, for we shall perform our small part by buying LIBERTY BONDS.
